The Congo presents one of the world's deadliest emergencies to date. More than 5.4 million people have died since 1998. Gang rape and brutal torture are a daily reality for the women and children of Congo.

At Healing for Congo Women events, **WHEN YOU GIVE, YOU RECEIVE!** Gifts from and for the heart! We have a variety of elements all designed to awaken and heal your heart, soothe your soul, and help you align with your highest vision of yourself. Yes, that's right!
